Dreams are the topic on weekly edition Of 'Behind the Paranormal' July 26

In a first for the one-year-old show, the weekly edition of [Behind the Paranormal](#) will feature the mysterious subject of dreams. The guest will be Dr. Arthur Bernard, a practicing psychologist in the Los Angeles area and a pioneer in the field of dream research. Author of [God Has No Edges, Dreams Have No Boundaries](#), Dr. Bernard is founder of The Dream Center in California.

In recent years, Dr. Bernard has taught people in both individual and group settings how to program dreams for problem solving to enrich their lives, and how to quickly grasp the meaning of their dreams. Dr. Bernard takes dreams from the mystical and incomprehensible realm and makes them practical and plausible.
