'Mind Travel,' nature beings highlight 'Behind the Paranormal'

It's a delightful guest for a (usually) delightful subject on the CBS edition of [Behind the Paranormal with Paul & Ben Eno](http://www.behindtheparanormal.com) on Sunday, May 9. British folklorist, paranormal expert, herbalist and author of over 80 books, CASSANDRA EASON, will join our merry father-son team to discuss the paranormal entities commonly known as "nature spirits." These include the "little people" known in cultures all over the world. We'll share some stories from listeners too.

'Return to Rendlesham 2' panel special rescheduled for June 20

Because of the tremendous response to the first "Return to Rendlesham" special on April 11, hailed as one of the most important UFO broadcasts ever, another three-hour special is planned for Sunday, June 20, on CBS New Sky Radio. [Behind the Paranormal with Paul & Ben Eno](http://www.behindtheparanormal.com) will once again combine shows with [KAPS Paranormal](http://www.kapsparanormal.com), hosting a panel of experts and a different set of former U.S. Air Force eyewitnesses to the December 1980 event, which has been called "Britain's Roswell," and the most important UFO event in recorded history.

Larry Warren, Jim Penniston, John Burroughs

Witnesses scheduled to appear so far are John Burroughs and Jim Penniston, with a return visit by Larry Warren. Also with us will be legendary UFO researchers Nick Pope, formerly of the British Ministry of Defence; Bill Birnes of the History Channel's "UFO Hunters," and *Left at East Gate* co-author Peter Robbins. Catch podcasts of the historic April 11 broadcast at www.behindtheparanormal.com.
