'Mothman and Indrid Cold' are back on 'Behind the Paranormal' this Sunday

From the annals of one of the most bizarre paranormal outbreaks in recorded history comes a new angle on Mothman and Indrid Cold, told by someone who lived through it.

Author, teacher, psychic and paranormal expert Susan Sheppard shares new information with us, along with a rarely heard recording of a 1966 interview with Woody Durenberger, whose close encounter with the alleged alien Indrid Cold has become legendary

The show will air on WOON 1240 AM in southeastern New England and on www.ONWorldwide.com globally at 7 p.m. Eastern, 4 Pacific. Click the ON-TV icon at showtime. Listeners may [send in questions in advance](#) or call in: (800) 449-1240 in the U.S. or (401) 766-1240 in the local listening area.
